- Distance Measuring Devices (Rule 14-3)
- For all Men's Club play at Riverwood, a player may obtain distance information by using a device that measures distance only. If during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g. gradient, wind speed, temperature, etc), the player is in breach of rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.

- The player must start at the time established by the Tournament and Rules Committee Chairman for all tournaments
- Starting at 7:30 am means you are ready to start at 7:30:00 am. Ready to start means that you are at your assigned starting hole ready to play at your assigned time.
- Penalty for not starting on time is 2 strokes, after 5 minutes player is disqualified from tournament.

Decision 6-3a/2.5

Meaning of "Time of Starting"

Q. A player's starting time is listed on the official starting sheet as 9:00 am. He does not arrive at the starting tee until 9:00:45 am and claims that, as it is still 9:00 am, he is not late for his starting time. What is the ruling?

A. When a starting time is listed as 9:00 am, the starting time is deemed to be 9:00 am and the player is subject to penalty under Rule [6-3a](#) if he is not present and ready to play at 9:00:00 am.
